

Congratulations to Paris DiSanto!

Wednesday, 07 May 2008

The Board would like to send warm wishes and congratulate Paris DiSanto, of Johnstone & Johnstone, on his recent retirement. As many of you know, Paris started in the business in 1951 and was one of the founding members of the Grosse Pointe Board of REALTORS®. Paris was one of the owners of Johnstone & Johnstone when it was acquired by Real Estate One, and has been one of the company's primary brokers since then. Paris' colleagues will tell you that he has been a trusted and priceless resource for years and many turned to him for expert guidance. Paris' insight, advice, and generous contribution of knowledge to his fellow agents was a fantastic benefit to our entire association.

Last week, many friends and colleagues gathered to celebrate Paris' contribution to our community. Please [click here](#) to launch the gallery.
